

Ring Size Finder

Method 1

To use our Ring Sizer, please follow these steps:

1. Print this page.
2. Cut out the sizer.
3. Make a slot in the sizer by cutting along the dotted line.
4. Roll the sizer into a circle with the numbers on the outside.
5. Inset the end of the tab into the slot.
6. Place the sizer around your finger and pull the tab through the slot until the paper is snug around your finger.
7. Secure it with a small piece of tape.
8. Note your ring size on the scale.

Method 2

Take a ring that fits you and place it over the circle. The inner edge of the ring should lined up with the outside of the circle. If your ring appears to fit between sizes, order the larger size.
